

RED LIGHT

The California State PTA has adopted certain policies regarding permissible PTA activities in order to minimize the risk of exposure. It is the policy of California State PTA that certain activities be prohibited because they are dangerous and jeopardize the safety of our children and youth. Such activities also jeopardize the insurance coverage for **all** PTAs in the state. Other activities and events are excluded by the insurance underwriter.

****The following activities and events are prohibited. Individual PTA officers may be held personally liable for conducting any of the events listed below. All PTAs should be aware that violation of established California State PTA policies, including the sponsoring of prohibited activities, can result in withdrawal of the PTA's charter.****
