

As a local member of a national association, you receive many benefits! National PTA provides state and local PTAs with grants, family resources, leadership development and advocacy expertise, as well as programs and initiatives that help families and schools support every student's success and well-being.

The Value of PTA to You

Grants

National PTA provides hundreds of thousands of dollars in program and advocacy grants to state and local PTAs.

\$700K+

- STEM + Families
- PTA Connected
- Health & Safety
- Family Engagement
- Diversity & Inclusion
- Reflections
- Advocacy

Family Resources

National PTA provides a wide variety of resources for local PTA leaders to help support the families in their communities as their children grow.

- **52** State Assessment Guides to make sure parents know what to expect from in-school assessments, including sample questions.
- **11** Parents' Guides to Student Success that give clear, consistent expectations for what students should be learning at each grade level.
- **9** Family Guides to help families support their child's learning outside of school throughout their academic career.

Advocacy

National PTA provides policy expertise, easy-to-use tools and federal lobbying to make a difference on the top issues that matter most to you.

- **8K+** letters sent to legislators due to National PTA campaigns to stop cuts to classrooms and enact common-sense gun safety laws.
- **200+** meetings with federal legislators on issues including gun safety and violence prevention, federal investments in public schools, and in-school discipline laws.
- **54** federal legislative chairs who monitor state and local legislation.
- **10** issue briefs in our public policy agenda designed to help you become a more effective advocate for the children in your community.

Leadership Development

National PTA provides a wide selection of webinars, e-learning courses, and step-by-step guides to help you run every aspect of your PTA.

- **300+** webinars and instructor-led trainings at the National PTA Legislative Conference, the National PTA Convention & Expo and at state conventions across the country.
- **28** e-learning courses to help you to develop the skills that matter most to you.
- **7** detailed guides for improving your PTA's membership, programs, finances, advocacy and communications in the Local PTA Leader Kit.

Programs & Initiatives

National PTA provides local PTAs with events and programs that supplement and support a well-rounded education for every child.

- **300K+** students and their families participated in Reflections, one of the nation's oldest and largest student recognition programs in the arts.
- **200K+** students saw improved family-school partnerships in their community when their local PTA participated in School of Excellence, our signature school improvement program.
- **30K+** students and their families enjoyed science, technology, engineering and math experiences when their local PTA participated in our STEM + Families program.
